Re: 13-0114-01 (967415), 4782 Highway 63, Speedwell, TN 37870, Construction Permit Application

Dear Ms. Walden:

Your permit application for installation of one 50 kW diesel fired generator was received on June 20, 2013. A determination has been made that this application is complete.

If you have any questions concerning this correspondence, please contact Sunanda Shajikumar at (615) 532-6823.

Sincerely,

A handwritten signature in cursive script, appearing to read "John A. Trimmer", is written over the typed name.

John A. Trimmer
Chief, East Tennessee Permit Program
